WHY DO WSE?

Employers must provide a safe work environment.

DUAL RESPONSIBILITY

- ▶ **Host employer** must provide a safe workplace
- ▶ **You** have the responsibility to provide **associates** a safe work environment

STAFFING AGENCY	HOST EMPLOYER
Responsible for verifying that the worksite is a safe and healthy environment prior to placing the temporary worker.	Responsible for creating and maintaining a safe and healthy workplace.
Responsible for making the final decision whether or not to place the temporary worker.	Responsible for providing any necessary or specialized training required for the temporary worker to safely perform their assigned tasks.
Responsible for follow-ups and worksite reevaluations to ensure the temporary worker is still working in a safe and healthy environment, and within their contracted duties.	Responsible for logging recordable injuries and illness and reporting any major injury or hospital visit of a temporary worker.

Safety Standard of Excellence Program

It's easy to say you care about safety. It's better to demonstrate best practices and a commitment to ongoing improvements. When your staffing company earns the Safety Standard of Excellence mark, it becomes an ambassador for worker safety as well as a more competitive choice for clients.

Making Temporary Worker Safety a Priority

The Safety Standard of Excellence program has been designed by the American Staffing Association and the National Safety Council to encourage staffing firms to adopt workplace safety best practices and standards and to foster and measure continuous safety improvements.

- Learn more about the program—read the FAQ.
- Find out if your firm is ready to begin—complete the readiness assessment.
- Download the Program Guide.

Register to Begin the Program
Already Registered? Access DSA

The program's purpose is to help staffing firms do their part to reduce the rate and severity of staffing firms' temporary workers' workplace injuries, illnesses, and fatalities; control staffing firms' workers' compensation costs; and raise the safety bar for the staffing industry with respect to job orders, staffing classes, the government, and media.
