

# American Staffing Association Staffing Index

The ASA Staffing Index is designed to monitor current staffing employment trends. All data submissions through this survey are confidential. For more information, visit [americanstaffing.net/staffing-index](http://americanstaffing.net/staffing-index).

1. **Number** of temporary and contract employees\* who worked the **week of May 29 - June 4**

2. **Number** of temporary and contract employees\* who worked the **week of June 5 - June 11**

\* If your company issues daily or biweekly checks, enter the number of temporary and contract employees who worked in each of the respective weeks specified in questions one and two above.

3. Did any of the following factors have a negative effect on the number of employees you reported working the **week of June 5 - June 11** compared with the **week of May 29 - June 4**?

- A holiday
- School breaks (e.g., spring, winter, summer)
- Seasonal business fluctuations
- Inclement weather
- Temp-to-hire conversions
- Client offices were closed
- Special project or event in my area
- Another factor (please specify):
- No factors materially affected employment

Please select your name from the list of contacts below. If your name is not listed, contact ASA or [click here](#) to register directly.

- My name is not listed
