

2Q 2024 ASA STAFFING EMPLOYMENT AND SALES SURVEY

To ensure the confidentiality of company data submitted by quarterly survey participants, the American Staffing Association has partnered with ClearlyRated to tabulate results. ASA does not have access to individual company submissions and reports only aggregate results.

Survey participants gain access to an exclusive archive of reports on the survey results, which include payroll data, gross margin trends, and productivity metrics available nowhere else.

Select the “back” button on your browser to return to the previous survey page. For technical questions regarding this survey, contact ClearlyRated at 800-921-2640. For general questions about this survey, email research@americanstaffing.net.

DEFINITIONS

Temporary and contract staffing is defined as a service whereby your staffing company hires its own employees (W-2 workers—excluding 1099 independent contractors and employee leasing) and assigns them to work for clients.

Search and placement is defined as direct hire placements and other special recruiting services. To facilitate survey data entry, search and placement services will be grouped with the temporary and contract staffing sectors in the sales-related questions.

To assist ASA in providing accurate and timely trends by sector, sharing your firm’s temporary and contract staffing data by sector, and/or search and placement data is greatly appreciated.

Please note: Without sufficient sector and direct hire data, it will be impossible for ASA to provide sector-level and service type benchmarking detail.

For which of the following sectors do you currently track staffing sales?

- Health Care
- Industrial
- Engineering
- Information Technology
- Scientific
- Office—Clerical and Administrative
- Accounting and Finance
- Legal
- Management (including executives)
- Sales and Marketing
- Other Professional
- OVERALL/COMBINED TEMPORARY AND CONTRACT STAFFING (only able to provide all temporary and contract staffing sales combined)
- Search and Placement

INSTRUCTIONS

Enter figures for all branches, franchises, and licensed operations in the U.S. (including Puerto Rico and the U.S. Virgin Islands).
