# Activating Purpose

Identify a leader on your team that you know you can lift and make a difference for....

**What are 1-2 character strengths you want to shout out?**

**What positives does this person bring to the core alchemy of the team?**

**How is the work your organization is doing making others lives or the world better?**

**They matter as a person**

**Their strengths + contributions matter for the team**

**Your organization's work matters in the world**
